Letter from the Head of School

Hello Friends of Tower,

It's exciting to reflect on the past year, one filled with achievement and opportunity, as I attempt to encapsulate the many ways you helped make Tower a vibrant and thriving school.

Tower is a community of families and faculty whose extraordinary commitment to our mission, and the success of our students, fuels our aspirations for the future. Thank you to these groups for their exceptional support for Tower: 100% of faculty, 100% of trustees, 100% of new families, and 97% of all families who contributed to the Annual Fund.

Tower is a community built on a partnership between teachers who deliver a powerful academic program to our students, and you—our friends and families—who support this work across many efforts. Thank you to our wonderful parents, trustees, faculty, alumni, grandparents and parents of alumni who volunteered their time and expertise to enliven all that we do.

Tower is a community that is stronger because of the collective generosity and effort of the hundreds of names listed in this report. Over \$427,592 in philanthropic gifts of all sizes were invested into the 2017-18 program—the beneficiaries of which are, of course, our students.

Thank you for your contributions, which help make our vision for Tower a reality.

Tim Delehaunty
Head of School

2017-2018 Board of Trustees

Tower School is governed by an independent and self-sustaining Board of Trustees. The Board ensures that the school's mission is relevant and vital to the Tower community, and it monitors the success of the school in fulfilling its mission.

ANNUAL FUND 2017-2018

The Annual Fund is Tower's most important fundraiser. Providing approximately 5% of the school's annual operating budget, it impacts *everything* we do at Tower. Thanks to the generosity of our community, the 2017-2018 Annual Fund raised \$257,561 for Tower. Thank you!

Photo: Artist in Resident Keith Witty worked with students in every grade to compose and perform original music as a score for the children's book *Du Iz Tak*.

Leadership Giving

While all gifts are important and impactful, leadership gifts of \$1,000 and above are the cornerstone to our Annual Fund success. These generous donors enable Tower to deliver a program of excellence. Donors providing matching gifts are recognized for the combined total of the gift.

Tower's Backyard

Frances and Stephen J. Lockwood

Thanks to the generosity of this family, Tower was able to fund a feasibility study focused on improving a range of programs in our backyard including installing a turf field, newly designed playgrounds, a community gathering space, and an outdoor classroom.

Carbon Offsetting

Mary and Harry Hintlian
Paige and Justin Hintlian

Thanks to the generosity of these families, Tower is the beneficiary of seven hectares of Costa Rican rainforest through the organization Reforest the Tropics. The forest is planted on the site of a former sugarcane field. It is now home to native hardwoods and various shade-tolerant species. As the trees mature, they will help offset Tower School's carbon production. The growth of this carbon-capturing forest offers valuable opportunities for learning through science, math, social studies, and Spanish. We're grateful for this unique and forward-thinking gift to Tower.
